

STOP PATENTS ON LIFE! END CORPORATE CONTROL!

BIOJUSTICE 2001

CELEBRATION & ACTION TO RESIST BIOTECHNOLOGY
SAN DIEGO, CALIFORNIA, JUNE 22-27 2001

Join thousands of **activists, scientists, farmers, and concerned communities** from around the world for a week of education, strategy and empowerment!

Be part of the growing global movement to **stop genetic engineering**. Protest **BIO 2001**, the largest ever convention of the **Biotechnology Industry Organization**. From **JUNE 24th to 27th**, in San Diego, leaders of multinational biotech, pharmaceutical corporations, industry scientists, bureaucrats, and marketers will meet at the **Biotechnology Industry Conference (BIO - see www.bio.org)**.

JUNE 22-27 DAYS OF EDUCATION AND ACTION

Thousands of people will converge to learn about the threats of biotechnology and to create a festival of resistance to genetic engineering and the commodification of life. Come celebrate the global campaign for a just and sustainable food system. Take back our communities and our biodiversity. Non-violent direct action, street theater and arts preparations will take place in San Diego the week leading up to BIO. Be there. Resist!
