

VOTE BY FREE BALLOT DELIVERY! BIKE

Monday, May 20th, Noon–7pm
Tuesday, May 21st, Noon–7pm

If you've missed the mail-in deadline for the May primary, contact us to have one of our bike couriers deliver your ballot to an official Multnomah County Elections Division drop-off site. Voter turnout so far is only at 16%, which means your vote could make the difference! Remember, this is YOUR democracy!

THIS SERVICE IS:

- **FREE** (why waste a stamp or gas money?)
- **LEGAL** (our plan has been reviewed by the Multnomah County Elections Division)
- **CONFIDENTIAL** (we will only accept sealed ballots)
- **CONVENIENT** (we will pick up from a home or business address anywhere in Portland)
- **SPONSORED BY** the Peter Alexander for City Council campaign

THE SERVICE WORKS LIKE THIS:

You call one of our hotline numbers (or fill out the form on our web site at WWW.PDXGRASSROOTS.ORG) and give us your name, address, phone number and time for pick up. We will dispatch a bicycle courier to pick up your ballot. The courier will match your photo I.D. to the address on your ballot and write out a receipt for you. The courier will deliver the ballot to the Multnomah County Elections Division drop-off site nearest you immediately after pickup.

If you've got the time to drop off the ballot yourself, you can find the nearest drop location on the Elections Division web site at WWW.CO.MULTNOMAH.OR.US/DSS/ELECTIONS/2002-05/VP/DROP_SITES.HTML or by calling (503) 988-3720. Please remember that you don't have to vote for every candidate and measure on your ballot – vote for the ones that you know and trust!

Peter Alexander is running for Portland City Commissioner, position #3. He supports kicking Enron out of our community, establishing a publicly-owned power company, enacting campaign finance reform, and encouraging local economic development. Peter also supports alternative transportation and has run his entire campaign via bicycle, bus, and foot. Peter does not accept corporate campaign contributions, and is running a strong grassroots campaign against an incumbent financed by developers and other special interests.
