

The Little Beirut Welcoming Committee Presents:

# An Evening With Dick Cheney

## January 13th, Times and Places TBA

*"The costumes and special effects were so real it made me feel like I was in a contemporary American war zone". --USA Today*

*"I brought my friends to see it, and now all they want to do is take up arms against the government".*

*--New York Times*

*"A dangerous subversion that ought to be banned".*

*--The Wall Street Journal*

*"A nice way to spend an evening". --Green Anarchy*

*"More than a one act play, An Evening with Dick Cheney was a gas". --Newsweek*

*"An Evening with Dick Cheney gets your blood pumping like you are really fighting fascism on the streets of PDX".*

*--The Oregonian*

*"I would take my kids to see it, but then they would want to overthrow me". -- A Concerned Parent*
