Corner of SE 92nd & Holgate. Speakers and performers to be announced,

The Hammerskin Nation, a racist skinhead gang, aims to celebrate its twentieth anniversary at a location in the greater Portland area, from October 5 – 7 of this year. The Hammerskins are organizing their event alongside Volksfront, a Portland-based neo-Nazi outfit linked to the 1988 killers of Ethiopian immigrant Mulugeta Seraw. Join us as we come together against these racist fools, learn from each other, and plan to shut the bigots down!
